Langkah mendownload Text Editor Sublime Text

1. Buka website Sublime Text https://www.sublimetext.com/ pada browser.

2. Pilih versi sesuai kebutuhan dan sistem operasi yang digunakan.

Sublime Text may be downloaded and evaluated for free, however a license must be <u>purchased</u> for continued use. There is currently no enforced time limit for the evaluation.

Changelog

3.2.2 (BUILD 3211) 1 October 2019

- Mac: Added Notarization
- Fixed a performance regression when moving the caret upwards in large files
